Free PDF SDK

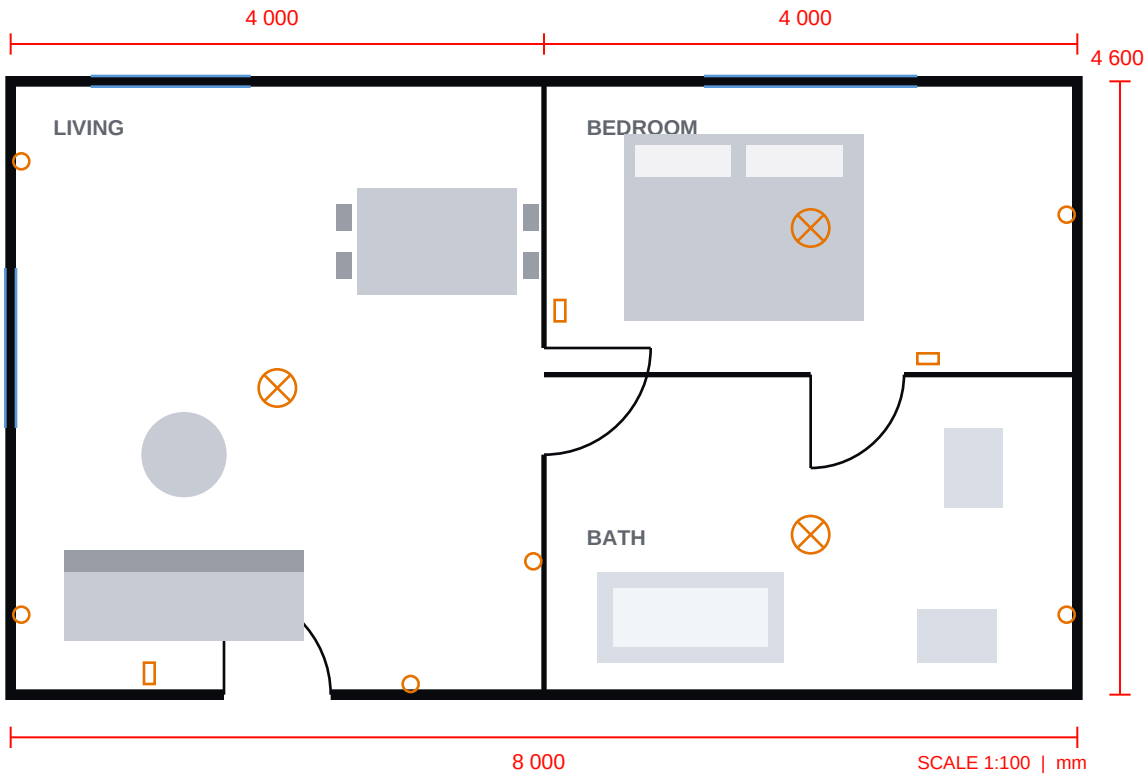
Sample document for the live demo

Welcome

This PDF is generated by code for the Free PDF SDK demo. It holds no real data. Try the tools: add a sticky note, highlight this sentence, draw a shape, or stamp it. Open the Layers panel on the right to show and hide the Structure, Furniture, Electrical and Dimensions layers of the floor plan below. Change the mode in the demo panel and watch the interface follow: a feature you switch off is gone from every menu and toolbar.

Floor plan

Apartment 3B, scale 1:100. Approve it, or mark what needs to change.



Approval form

Fill in the fields in fill, sign, edit or full mode. Sign with Fill & Sign.
